Here is the draft of the Proposed Plan for team review and the draft table for the Evaluation of Remedial Alternatives section (streamlined FS Table 4.3-1). The first 32 pages have mostly been finalized (just a couple of things left to confirm), so we are mainly looking for comments/edits to

the second half of the document.

Please send your comments/edits by COB Tuesday, May 31.

Thanks,

Annie

**Subject:** Draft Portland Harbor Proposed Plan

Here is the current draft of the Proposed Plan and a streamlined version of FS Table 4.3-1 that we plan to use for the PP.

- The first 32 pages of the PP have been extensively reviewed. Silvina and I will work with Kristine and Elizabeth to do the final review/editing of those pages tomorrow.
- The rest of the document (Summary of Remedial Alternatives, Evaluation of Alternatives, Preferred Alternative, Rationale for Preferred Alternative) has been updated based on Sections 3 and 4 of the FS, but it is still draft. The draft attached is not ready for full review, but is just to show you where the draft is headed. We will send a more final draft for the full team review on Thursday this week.

Please let me know if you have any questions.

Thanks,

Annie
